About this piece

A rare Arts and Crafts oak snooker table by Riley in the style of M. H. Baillie Scott

'The Viceroy' full size snooker table by **Riley**. An impressive table with strong square legs with precise architectural chamfered details that give each leg its subtle shape. With cascading sweeping side and end skirts that slot and join perfectly into the legs, giving it a sturdy stance with soft edges to the eye.

This snooker table has been dismantled. Each slate has had a wooden crate professionally purpose built around them and put onto three pallets, saving £1000 in labour and materials. The table legs, sides, ends, cushions, and pockets have all been professionally packed with card and bubble wrap and all ready to go for immediate shipping anywhere in the world.
