### About this piece

Harris Lebus.

An English Arts and Crafts oak wardrobe with flaring cornice, stylized decorative copperwork hoods above 'A' framed red leaded glass lights with a full-length original beveled mirror door, opening to reveal full-length hanging space inside with a large deep solid oak drawer below, with heart-shaped riveted handles. The handles are the work of Richard Rathbone, to me an important metalwork maker and designer.

Wardrobe: Height 7 feet 1 inch, Depth of cornice 25 inches, Width of cornice 57 inches.
