About this piece

John Pollard Seddon attributed

Probably made by **C. Seddon** in collaboration with **Kenton & Co.**, a well-designed architectural Gothic Revival oak upholstered nursing or low chair with ebonized circular decoration throughout and stylized floral details to the front rail and to the tops of the front legs.

(See *Victorian and Edwardian Furniture and Interiors* by Jeremy Cooper page 88 for a sideboard with many identical features to this chair). The buffet in image 2 has sold.
