### About this piece

by M H Ballie Scott and made by John Broadwood. An Arts and Crafts oak Manxman Piano with hand formed iron wrap round hinges and little ring pull handles. The top folds back and over and then can be hitched open which allows more sound out when played. The twin doors opening to reveal the piano keys with three original stylised floral embroidered panels with butterflies and chrysanthemums which are still as bright and vibrant as the day they were made. The embroideries are flanked by two stylised floral hand formed steel and brass sculptured candle sconces, works of art in their own right. Height 46", Depth 26", Length 56". Circa 1890's. \*.
