### About this piece

A good quality pair of mid to late Victorian decorative cast iron gates with ball and hat finials to the gate post sides and Fluer De Lys finials to the sweeping arched upper rail and scroll work below, with further Fluer De Lys finials to the central sections, retaining it's original hand forged floor bolt.

The last two images show them from the other side.

Measures:

Height at the top center 57.5 inches.

Height at lowest point, floor to top of each gate post ball and hat finial 52.5 inches.

Width of both together 64 inches.

Depth 2 inches.
