About this piece

Royal Doulton. Lambeth.

A rare Aesthetic Movement three-section window sill flower planter, with stylized floral beaded roundels to the front and incised floral roundels to each end, all with incised petite flower heads and foliate and berry pilasters.

Impressed marks each for 1883.

Measurements :

Each one measures 7.5 inches square

Total width 22.5 inches.

Slight chipping to the two central leaves, and three bead losses to the back edge of one pot.

We also have a six-section set available for sale:
